

# Invitation to PwC Vietnam's HR Director Round Table Discussion – 24<sup>th</sup> event (By invitation only)

## Vietnam recruitment trends – Session 1

Covid-19 has shocked the world and disrupted the way businesses run. In an effort to maintain business continuity while ensuring employees' safety, companies had to make instant changes to the way they work – and also, how they attract and recruit new talent.

In Session 1 of our HRD discussion, we will discuss about the future of recruitment in the new world of work.

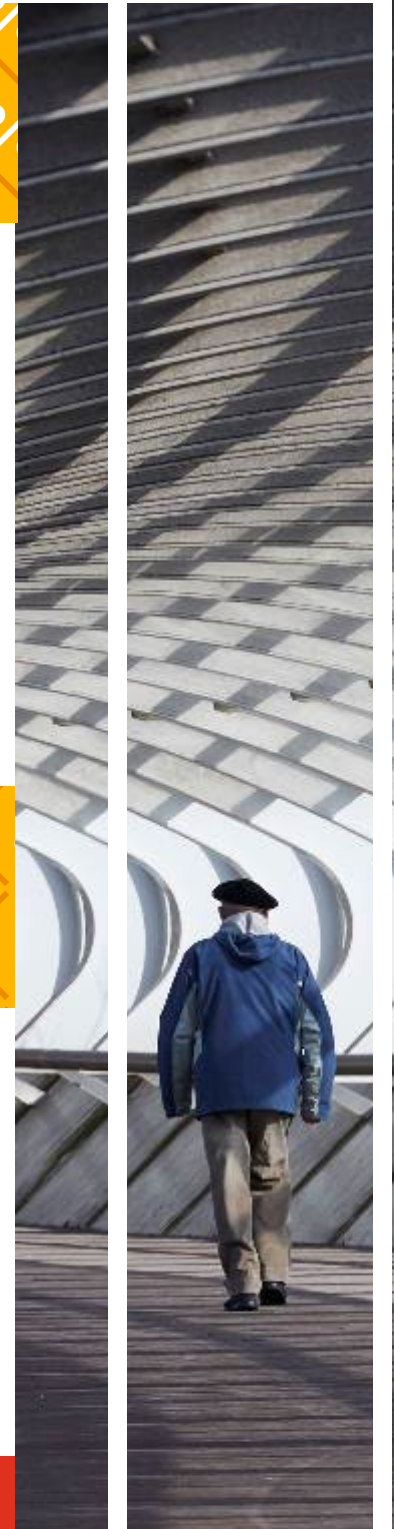

We are delighted to invite you to join us as we welcome one of our participants, **Adrien Bizouard, Country Manager of Robert Walters Vietnam** to share with you his insights based on the Vietnam market.

## Employee's fraud – Session 2

PwC has conducted the 2020 Global Economic Crime and Fraud Survey, and with nearly half of the more than 5,000 respondents reporting a fraud in the past 24 months, this led to the question of what types of frauds are occurring, who's perpetrating the crimes, and what successful companies are doing to come out ahead.

In Session 2 of our HRD discussion, our second guest speaker, **HyeYun Lee, Advisory Senior Manager of PwC Consulting Vietnam** will share the details of the survey and share with you the insights from a Vietnam perspective.

Join us for a morning discussion with Vietnam's top HR leaders. We look forward to seeing you at the event.
